SYLVIA TALBOT

Her Competitors in Stake Event To-Day.

FRUIT IN THE FOURTH RACE.

Goldblatt Filly May Capture the Handicap for Two-Year-Olds -Mafalda Has Good Chance.

In spite of the fact that Sylvia Talbot is giving many pounds to her two com-petitors in the Homebred Stakes this aftrnoon, it appears as if the Schreiber mare should carry off first money.

Although Sylvia carries 115 pounds, she should be able to concede this amount of avolrdupois to her opponents and to win ble of giving thirty or forty pounds to the antagonists she meets.

Gisborne put up a good ride on the gelding, and he had plenty in reserve when the wire was crossed. Neversuch did the front running, with Flora Willoughby. Gisborne laid back on Lubin, and when the half mile post was reached he looked as if he was just jogging along. At the stretch turn, the other three contenders live win this afternoon. Lone Wolf ought not to be worse than second on the showing he has made recently, and it looks as if to him should be accorded the place honors.

Zinda has plenty of speed, but has a tendency to quit after going a route. Were the performers to go the three-quarter onstance instead of six and one-half furiongs, her chances would be brighter. But it seems as if third place is the best that can be conceded to her this afternoon. In the fifth Dawson may finally score. He was favorite on his last out, and may make good this afternoon. Hucena seems capable of getting second place, and Birdwood appears next best of this outfit. He should be third.

In the sixth a purse should be placed to the credit of the Hayes stable. Matalda sands out prominently, and, with her light weight up, should win. Footlight's Favorite and Just So should be next in order.

In the last Flyer stands out as a likely.

Anne Davis added another purse to the Hayes stable when she won the fifth race from Lasso in a hard drive. She was as if to him should be accorded the place honors.

ratorite and Just So should be next in order.

In the last Flyer stands out as a likely winner. He showed a flash of speed in his race yesterday, which should win for him to-day. Lemon Girl cannot be overlooked after her recent victories, and Ivernia should be third. Felix Mozzes has run well enough on his recent outs to deserve mention, but it seems as if his field should lead him home to-day.

Dameron may beat the rather handy field of 2-year-olds opposed to him in the second race. Eduardo may be second and My Eleanor thire.

In the first race Lacy Crawford should win. Burke Cochran may be second and Barca will probably be third.

With the visitors came many additional exhibitors, and much of the work of oreparation was still under way to-night. However, the promise is held out that the fair will be complete to-morrow, when the rates will be thrown open to the school children of the State. The fair will be open on Sunday, but its secular features will be toned down. The places of amusement will be closed, and the visitors will be entertained with a seared concert in the Colseum. Doctor Louis H. Stine will deliver a lecture on biblical history.

ton Americans at Sportsman's Park yesterday afternoon by a score of 3 to 0. In every department of the game the cals made the "world's champs" look like amateurs.

Boston falled to play the brand of baseball they usually displayed heretofore on their visits to St. Louis. Collins's men made only six hits on Slever and they did not get enough to-gether in any one inning to make a tally, Gibson, who pitched for the visitors, did excellent work. He allowed the locals only three hits, but he was wild at critical moments, and this, coupled with the poor support, he received in the field, cost Boston the game.

HYNES'S SENSATIONAL CATCH. Brown and "Silk" Campbell will be tried out at right guard. Both are on an equal so far for obtaining this bertin, and Coach Delaney says that it will require neveral games before he will be able to teil who is superior at the position.

HOBS AT RIGHT END.

Cooper and Kinney will be sent to right tackle and will share this position in the game. Hobbs will hold down right end.

Quarter will either he played by Lucas or Howe. Howe has been doing well in the practice at this position. Lucas received a bruise in practice Tuesday which so far has tailed to heal, but should he he in shape to-day, he will play at quarter.

Hennerich will play full back, while right haif back position will be shared by Pechman and Sam Campbell. Rogier and Bennett will play left haif.

The practice yesterday consisted of falling on the bail, punting, tackling the dummy and catching punts.

Belaney toid his men that they were to play the best game that they could in case they saw that they were losing, and if they did it mattered little, as it was the games later in the season that he desired them to win.
